LEA Educator Licensing Notice

2025-2026

The Center for Creativity, Innovation and Discovery (“CCID”) employs teachers with Professional, Associate, and LEA-specific educator licenses, license areas, or endorsements.

The following designations or levels apply to educator licenses, license areas (i.e. elementary, secondary, special education), and content endorsements (i.e. mathematics, music, Spanish, social studies):

- **Professional:** The educator has completed an educator preparation program that includes content and pedagogical knowledge. This program may have been completed at a university or in an alternate pathway that was supported by school districts/charters and the Utah State Board of Education.
- **Associate:** The educator is currently completing an educator preparation program, but has not yet completed all requirements for a Professional Educator License, license area, or endorsement. The educator is enrolled in a university-based or Local Education Agency (LEA)-based program. When the educator completes the program, they will have a professional level.
- **LEA-Specific:** The educator has not completed an educator preparation and is not currently enrolled in one. An LEA-Specific license, license area, or endorsement is valid only within the Center for Creativity, Innovation and Discovery LEA.

As of 10-14-2025, CCID has 82% of its educators on a Professional Educator License, 5% on an Associate Educator License, and 13% on an LEA-Specific Educator License.
