

### From A Distance (Christmas Version)

From a distance the world looks blue and green,  
and the snow-capped mountains white.  
From a distance the ocean meets the stream,  
and the eagle takes to flight.

From a distance, there is harmony,  
and it echoes through the land.  
It's the voice of hope, it's the voice of peace,  
it's the voice of every man.

From a distance the world sings *Silent Night*  
Like a soft embracing arm.  
From a distance the words sound sweet and clear  
And all is right and calm.

From a distance we are instruments  
marching in a common band.  
Playing songs of hope, playing songs of peace.  
They're the songs of every man.  
God is watching us. God is watching us.  
God is watching us from a distance.

From a distance you look like my friend,  
even though we are at war.  
From a distance I just cannot comprehend  
what all this fighting is for.

From a distance there is harmony,  
Do you hear it echo through the land?  
It's the song of joy, it's the song of peace  
It's the heart of every man.

In the season of universal love  
This is the song of every man.  
And God is watching us, God is watching,  
Watching us from a distance.  
Oh, God is watching us, God is watching.  
God is watching us from a distance.
