

CCID TITLE I COMPACT

The key to this partnership is open communication so that everyone understands their responsibilities for student learning. This School/Parent/Student compact describes what each of us will do to ensure the success of our students and follow the CCID Mission.

CCID Mission Statement

The Center for Creativity, Innovation and Discovery is a student-centered K-8 charter school that provides challenging, place-based, integrative STEM curriculum. CCID uses research-supported instructional strategies, a positive learning environment and collaborative student-community partnerships to foster a passion and curiosity for the STEM disciplines.
